

1B Integrated Design Project

First Presentation Timetable

M1 Tuesday 9 October 2018

Please be at your appointed meeting room 5 mins before the start of your presentation. There is a firm 10 minute limit to your presentation, marks will be deducted should the presentation not be completed within the time. Printed copies of your main presentation slides should be handed in at the start of the presentation. The slides [typ. 5 (max 7) slides], should include information on including

- Overall Plan/Strategy
- General mechanical design/layout
- Electrical sensors + interfacing
- Software layout/construction (inc. failure detection)
- Timescales (inc job allocations)
- Appropriate sketches

should be handed in at the start of the presentation. Further feedback will be available on the Thursday session. Should you require feedback on a specific topic please indicate your request on the website before 5pm, Tuesday 9 October 2018 .
