The papers will be available by 11.00 on the long table in the Inglis corridor (before the stairs to LR3) on Wednesdays. After the week of issue, they will be transferred into the nearby racks. A set of solutions will be kept in some College Libraries for use by students. CUED Library will hold Michaelmas and Lent papers with solutions from the beginning of the Easter Term, and will display Easter Term papers and solutions 10 days after issue. Spare copies of solutions are available on line for Supervisors.
